FOUNDATION COURSES

LTC 501 Athletic Administration: Philosophy, Leadership Organizations and Professional Programs

This flagship course of Leadership Training serves as an overview for interscholastic athletic administration. This course focuses on the roles of the NFHS, the NIAAA, the State Athletic/Activity Associations, and the State Athletic Administrators' Associations. The course also previews the NIAAA Certification Program and the NIAAA Leadership Training Program. It is a prerequisite for all levels of certification and includes study materials for the CAA Certification Examination.

Enrollees who will derive greatest benefit:

Administrators with minimal information concerning national and state associations who are interested in beginning the process of certification.

Required for: RAA, CAA and CMAA Certification

LTC 502 Athletic Administration: Principles, Strategies and Methods

The course takes a basic approach to the fundamentals and methods of athletic administration and alerts and educates athletic administrators regarding potential problems and possible solutions in areas such as budgets, transportation, and scheduling and parent/student/coach conflicts. The course also touches upon sample athletic/activity program philosophies, department organizational charts, activity procedures/checklist, public relations, coaching applications/assessments and emergency plans.

Enrollees who will derive greatest benefit: Inexperienced athletic administrators seeking to define and improve their operational procedures.

Required for: RAA, CAA and CMAA Certification

LTC 504 Athletic Administration: Legal Issues I (Risk Management)

The course has in-depth coverage of all aspects of liability for sports injuries and risk management, including the duties imposed on athletic administrators, coaches, athletic trainers, and other athletic personnel, documentation requirements for an effective risk management program, and development of a strategic plan for risk management in the context of an interscholastic athletic program.

Enrollees who will derive greatest benefit: Administrators seeking information concerning Constitutional law and the need of exposure to causes for negligence and to legal "Standards of Care."

Required for: CAA and CMAA Certification
